

On Wednesday fire fighter Mark came to talk to the children about the special job he does as a fire fighter. Mark explained how he dressed ready to go out to a fire.

First put on the boots and trousers.

Then put on the jacket.

Next put on the thumb straps.

After that, put on the flash hood.

Next put on the helmet.

Finally put on the gloves.

This week we have been learning to use sequencing words (first, then, next, after that, finally). We have talked about the language being very direct and 'bossy'.

Thank you to Mark and Andy!
